**AUTHENTIC ITALIAN COFFEE  
WITH A 70 YEAR HISTORY**

Caffè Mauro was established by Demetrio Mauro in 1949 in Reggio Calabria, Italy.

Krogab U.K. are pleased to announce that we are the proud U.K. distributors of this slow roasted coffee with a 70-year history.

Coffee roasting is both a science and an art and Caffè Mauro pride themselves in being one of the few Italian coffee companies that use a "slow-roasting" process in order to obtain a superior taste and aroma. These exclusive blends are especially designed for professional espresso machines and Caffè Mauro is internationally recognised for producing high quality espresso with an exceptional crema.

To find out more about how we can help to improve your current coffee offering and to arrange a coffee tasting, please contact your local Krogab Business Development Manager.
